Nominees for the Mills-King Award have demonstrated an exemplary ability to foster learning environments conducive to the understanding and valuing of all cultural groups, as well as promoting and providing more humane educational experiences for every child. Please provide a narrative that includes detailed examples of your nominee's qualifications for this award. List specific activities relating directly to their qualifications. Include documentation such as, but not limited to scrapbooks, citations, letters of commendations, photos, etc. ***Keep in mind that the award recipient will be selected based solely upon the narrative and materials you submit.*** Candidates must be either an employee of AACPS or a volunteer/activist for AACPS and should have some of the following qualifications:

- _____ Contributes toward providing services and establishing appropriate rapport with educational and civic organizations
- _____ Converts an adverse situation to a positive one
- _____ Renders a service to a group outside the educational community by an act or series of actions that facilitates cooperative relationships between the group and the educational community
- _____ Demonstrates a positive attitude towards education in the community
- _____ Contributes to the educational community
- _____ Contributes to the enhancement of human relations
- _____ Demonstrates a positive and optimistic attitude
- _____ Challenges and inspires young people
